Two Team Pay

Making money with your **Ignyt750** business is simple due to the power of our Two Team plan. The key to success is building a team of dedicated Brand Partners who share a common vision. To start just focus on one thing: Be a Qualified Brand Partner yourself and sign up other Qualified Brand Partners (placing half in each of your two teams). Then teach them each to do the same thing. It doesn't get any easier than that.

For the Two Team Pay, **Ignyt750** pays each of our Brand Partners a very generous percentage of the CV (Commissionable Volume) generated by all the Brand Partners in the smaller of their two teams, with volume calculated to infinity and with no cycles. Your total weekly commissions can only be up to 80% of the volume on your lesser team. For details on payout percentages according to rank, refer to the Rank Qualifications & Compensation chart. (Note: The maximum Two Team Pay is $20,000 USD per week.*)

In our simple but powerful Two Team plan, you have a team on your left side and a team on your right side. As you personally sign up other Brand Partners, you can place them in either of your two teams. New members can also be placed on your teams for you by your Sponsor (or others above you) in addition to the efforts of the Brand Partners below you in your organization.

Once you reach the rank of Qualified Brand Partner or higher, you earn up to 8%-20% (based on your rank) of the CV in your lesser-volume team every week. These pay periods are calculated and paid to you weekly. And the extra volume that you are not paid on from your larger team carries over to the next week as long as you maintain the rank of Qualified Brand Partner or higher. So, it pays to stay Qualified...and to teach your team members to stay Qualified too.

It's really that simple.

Even better, the leveraging power of our Two Team plan doesn't end there. Not only are you rewarded for introducing others to **Ignyt750** and helping them succeed, but it also applies to everyone on your team. So, the more Brand Partners you help sign up and get qualified, the more potential you all have to grow your incomes.

The example below shows how powerful B-Epic's Two **Team** plan can be. It is based on the Brand Partners each having a **80** CV qualified monthly order. In this example, the lesser-volume team (on the right) collectively generated 80 CV. So, at a 20% payout, you would earn **$64** USD this week just in Two Team Pay.

Matching Bonuses

EPICIQ's Matching Bonus rewards you for helping others succeed.
Every week you can earn TWO matching bonuses based on the performance of your team.

#1. Sponsoring Matching Bonus

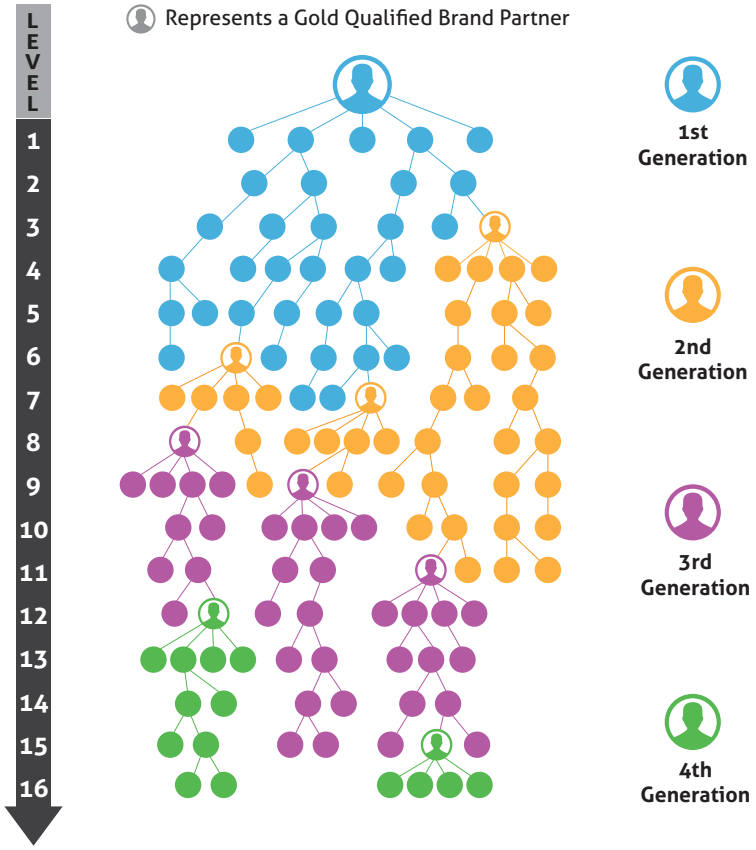

As a Brand Partner, you get paid a 20% weekly check match on the collective Two Team Pay earned weekly by all your personally sponsored Brand Partners. As shown in the example to the right, as you build your team, the dollar amount of this weekly bonus rapidly skyrockets. What's more, you can qualify for this bonus as soon as become a Brand Partner; no other qualifications are needed.

# of Personally Sponsored Brand Partners	Their Total Combined Two Team Pay	Your 20% Weekly Check Match
5	$1,000	$200
25	$10,000	$2,000
50	$25,000	$5,000

Example in USD amounts.

#2. Generation Matching Bonus

As a Gold Qualified Brand Partner or higher rank (and for as long as you maintain the rank or higher), you also get paid a 10% weekly check match on the collective Two Team Pay earned weekly paid on up to four generations of Golds or higher rank in your Sponsorship Organization (binary qualified based on Two Team Pay). This bonus can create a significant amount of additional income each week in your **Ignyt750** business since each generation can represent a large number of Brand Partners as shown in the example below.

EXPLANATION OF GENERATIONS AND SPONSORSHIP ORGANIZATION

Your "Sponsorship Organization" comprises all the Brand Partners that you personally sponsored as well as all the Brand Partners they each sponsored.

In your Sponsorship Organization, all the Brand Partners that you personally sponsor are placed on your first level (with unlimited horizontal expansion potential) ...and all the Brand Partners they personally sponsor are placed on your second level...and so on.

A "generation" starts when a Brand Partner in your Sponsorship Organization has reached the rank of Gold Qualified Brand Partner or higher during a weekly pay period.

The Generation Matching Bonus includes all Brand Partners below them in that team leg of your Sponsorship Organization until the tracking system encounters another Brand Partner in the same team leg who is also at the Gold Qualified Brand Partner rank or higher. Then that Brand Partner would then start your next generation.

Volume used for bonuses is based ONLY on new volume on both legs; carryover volume does NOT count.

Diamond+ Bonuses

As a Diamond Qualified Brand Partner, every week you get paid a share of a 2% Global Bonus Pool of the total company-wide CV generated that week. Since that bonus is only for the Diamond rank, the higher-level ranks have a different bonus structure (below). Starting at the Blue Diamond level, you receive a significant one-time new rank cash bonus when you first attain each higher Diamond rank.

BLUE DIAMOND

Additional Comp Plan Details

Our compensation plan is based on a two-team structure, which is a powerful and unique system. However, due to its ability to pay out on unlimited levels, it also has the potential to exceed 100% in payouts. To control this, we have several factors in place: (1) payouts are based on balanced volume, not total volume; (2) there are weekly maximums on earnings from the two-team plan; and (3) the compensation plan has a maximum payout of 60%. If the compensation plan pays out more than 60%, all commissions are adjusted to ensure that the maximum payout does not exceed this threshold. This is why all rank payouts are listed as "up to" a certain percentage, as there is no way to guarantee an exact percentage in this type of compensation plan.

To prevent the compensation plan from paying out on old volume: (1) if you are not binary qualified, the volume on your lesser leg will not carry over; (2) the volume on your larger leg will flush 25% every week you are not binary qualified; and (3) once you become a qualified Brand Partner, the volume will not flush, and the balanced volume will be paid out. The volume on your larger leg will continue to carry over as long as you remain qualified.

To help control payouts for members who join and then sponsor a business or spouse but only build under that single leg, your total weekly commissions can only be up to 80% of the volume on your lesser team. For example, if your lesser team generates $10,000 in weekly volume, your pay cannot exceed $8,000.

*60% Rule for Total Payout: The Two Team Pay pays individual Brand Partners up to 20% on the Commissionable Volume (CV) of their smaller (lesser-volume) team until the total payout across the company reaches 60% of the collective company-wide CV. If the total company-wide payout is calculated to be over 60%, actual individual payouts will be adjusted down to make the total company-wide payout be 60%. If the total payout is under 60%, the difference will go into a company reserve to cover any weeks that the payout is higher. This is designed to ensure that **Ignyt750** can always pay out the maximum amount possible to our Brand Partners without paying out too much, so that we can ensure the stability of the pay plan long term. NOTE: The maximum Two Team Pay is $20,000 USD per week.

Explanation of PV and CV: Every product has an assigned PV and CV value. Personal Volume (PV) reflects the dollar amount that the person paid for the product (i.e., the purchase price). Commissionable Volume (CV) is the dollar value assigned to the product for the calculation of commissions.

DISCLAIMER: All Brand Partners understand before joining or purchasing any product that there are NO guaranteed earnings. Refer to Terms and Conditions at www.Ignyt750.com.
